

REP REPORT

January, 2019

The Greater Toronto Area Intergroup is an independent group registered with the International Service Organization of SAA. The Intergroup conducts business that helps the SAA fellowship in the Toronto region carry the message of SAA recovery to the suffering sex addict. The Intergroup is dedicated to maintaining our local website, information phone line, literature resources, sponsoring an annual local conference, and other outreach activities.

1. The annual GTA conference will be held on February 16th at St. Andrew's United Church, 117 Bloor Street West. Please go to the website for registration details. Contact the GTA-IG for volunteer opportunities at the conference.
2. The GTA-IG is thinking of developing a local email distribution list. Subscribing to this list will be entirely voluntary.
3. The Thursday night "Fulfilling the Promises" still needs regular members. If you can attend even occasionally, it would be a great help. The group will do everything possible to remain viable as we feel it is important for newcomers to have a meeting to come to every day.
