

REP REPORT

November, 2018

The Greater Toronto Area Intergroup is an independent group registered with the International Service Organization of SAA. The Intergroup conducts business that helps the SAA fellowship in the Toronto region carry the message of SAA recovery to the suffering sex addict. The Intergroup is dedicated to maintaining our local website, information phone line, literature resources, sponsoring an annual local conference, and other outreach activities.

1. The GTA-IG webpage is now “live” and is available on the torontosaa.org website <http://www.saatoronto.org/intergroup.shtml> . This page explains the roles and functions of the various Intergroup members as well as highlights service opportunities with the intergroup. These monthly reports will be posted on that page so this will be a great way of communicating directly with the fellowship in our area.
2. Stefano S is heading up the 2019 SAA Conference Steering Committee for the annual GTA conference in 2019. There are several service opportunities in the steering committee such as set-up, take down, registration, etc. and your contribution of time and creativity make a huge difference to your fellow sex addict and helps maintain your own sobriety.
3. Ron R is surveying the membership for interest in an SAA retreat next year. Please let him know if you would like to attend this potential event.
